Client Story of the Month

"I left [Suited for Change] feeling like, even if I don't get to personally meet with the vendors for an interview, at least I felt great."

"For no one could take away the added boost of confidence I felt, whether I landed a job or not."

"To have one less worry about what to wear and whether the clothes fit comfortably makes all the difference in how one shows up for themselves wherever they may be headed."

Empowering Women & Celebrating Success

On May 31, 2023, with clear blue skies and a warm breeze, Suited for Change held our 31st Annual Gala at [District Winery](#) – and it was an incredible success!

After selling out tickets for the first time, it was wonderful to see our SFC family rally together to empower the women in our community.

The festivities included a *wine tasting* of District Winery's select artisanal wines, *delicious light bites*, *fabulous Silent Auction items*, an incredible selection of *designer handbags* in our Pop-Up Boutique, and *sweet treats* from [Chantel's Bakery](#) – it was hard to decide what to partake in first!

With the backdrop of the Anacostia River, paired with a gorgeous sunset – we couldn't think of a better night to celebrate all SFC has accomplished thanks to YOU.
