## HAPPY NEW YEAR

As we welcome in the New Year, we are finding joy and hope in the small things.

The way a woman exhales a little deeper when she steps into a safe place that's for women, run by women. The way she stands up a bit straighter in the mirror at the end of her Suiting appointment. The excitement in her cracking voice when she calls to tell us that she landed that new job thanks to our interview tips.

Once, they had nowhere to turn, but now, thanks to you, they are approaching the light at the end of the tunnel. We cannot wait to see what is in store for 2022!

## CLIENT STORY OF THE MONTH

In a special twist for the new year, we are highlighting all seven of the lovely women from DC Central Kitchen, DCK, that visited our boutique this month as they are about to graduate from their Culinary Job Training program on February 4th.

In a time where joy feels so difficult to find, we at SFC take such pride in bringing a smile to our clients' faces and witnessing their confidence blossom as they glance at themselves in the mirror.

We cannot wait to see what is in store for them!
