

Covid-19 Safety Precautions

Due to the current pandemic, we have added a few **precautionary measures to ensure the safety of our clients, volunteers, and staff.**

Safety Measures:

- Disposable masks available for all clients, volunteers and staff
- Disposable gloves available for all clients, volunteers and staff
- Hand sanitizer available and strategically placed throughout the boutique
- A cleaning and disinfecting plan
- Two new air filtrations systems
- Signage posted to remind clients, volunteers and staff to wash their hands and socially distance

Operational Plan:

- One volunteer per day in the boutique
- One client at a time in the boutique (no companions allowed)
- Clients will be scheduled for 45 minutes, on the hour, allowing time for adequate cleaning and sanitizing between clients

What you can expect:

- That you will be welcomed as warmly as always
- That your temperature will be taken with a no-contact thermometer
- That you will be asked this series of questions:
 1. *Are you feeling in good health today?*
 2. *Have you tested positive for COVID-19?*
 3. *Do you have a cough?*
 4. *Are you feeling fatigued?*
 5. *Have you had any unexplained shortness of breath recently?*
 6. *Do you have a sore throat?*
 7. *Have you been in contact with anyone who has been diagnosed with COVID-19?*

If the answer to any of the above questions is positive, or has a fever of over 100.5, we will request that you return at another time.
