DONNA

Suited for Change Client

@suitedforchange

Upon arrival at the Suited for Change boutique, Donna was eager to find professional attire for her job interview later that same afternoon.

That's when our volunteer stylist Barbara stepped in.

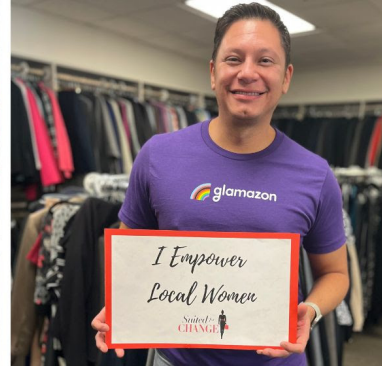

With Barbara's styling guidance, Donna found the perfect power suit to give her the edge she needed to leave her best first impression.

Thanks to the encouragement of the volunteers and staff at SFC, Donna knew she could land the job. **Just one week later, Donna was back in the SFC boutique picking out her outfit for her first day of work.**

Congrats Donna!
